Whom in your opinion, Madam, are the happiest couple in England?

The King and Queen, Madam, that's a stop!

And do, ^{you} really think, Major, that Bonaparte means to attempt an Invasion? pray what is your opinion of him.

A Knave! Madam, and that's a stop.

What unfortunate old Lady was that you mentioned just now, M^r Spiritist!

The Pope, Madam, and I clear the Table.

POPE-JOAN.

Engraved by W.B. Millard, Cockspur Street London.
